## SNOW CLEARING/LANE GRADING:

Only main access grids are kept open in the winter. Exercise caution when travelling on summer only roads as they are not always open during winter months.

The RM does provide lane grading and snow clearing as a custom service. This is an as time permits service only. In the case of heavy snowfall, municipal roads will be done first, followed by private residences.

To request this service, please email the RM office.

## SNOW REMOVAL

Please take a minute to familiarize yourself with the RM's snow removal policy.

Piles of pushed snow left on or near the road can freeze into a solid mass creating a hazardous situation for vehicles and snowplows. It could also increase the chance of drifting on to the roadway.

This hazard on a municipal road expose those that use the road (residents, equipment operators etc.) to the risk of serious bodily injury and poses the risk of liability for the resulting damages to the party who pushed the snow on the road. Anyone who pushes snow on to a municipal road can also be liable for the costs for the R.M to remedy the damage done and can be fined under *The Highways and Transportation Act, 1997*.

## TIRE RECYCLING

Did you know you can recycle tires at Indian Head Chrysler? Their tire program allows for up to 10 tires per day to be dropped off. To participate, you must visit the service counter at the dealership to complete a form to inform them about your drop off each time you use the program.

## EMTERRA RECYCLING SERVICES

The recycling depot available to all RM Residents is located at the RM shop, South of Highway #1 on RngRd 2131. Please be respectful of the bins and only put recyclable materials in them and ensure the lids will close when you are done.

## SARCAN RECYCLING

SK Recycles has officially launched its household packaging and paper recycling program, marking a major step forward for recycling in the province. Through a new partnership with SARCAN Recycling, residents can now recycle:

- Flexible Plastics (plastic bags; stand-up and zipper lock pouches; crinkly wrappers and bags; plastic net bags; plastic protective packaging)
- Foam Packaging (foam take-out containers; foam trays for meat, seafood, or vegetables; foam protective packaging for electronics or appliances)
- Glass Bottles and Jars (bottles and jars for olive oil, pickles, jam, etc.)

These materials can be recycled at all 73 SARCAN depots in the province.

Recycle more at **SARCAN!**

## ALUMINUM TAB RECYCLING

The RM office accepts aluminum can tabs and continues to contribute them to Silver for Gold, a registered charity dedicated to raising funds and awareness to childhood cancer. The tabs are sold to JK Metals in Broadview and the proceeds go directly to assisting affected families with small costs associated with treatments and developing a suitable treatment for children with cancer in Saskatchewan.

## SASK. LOTTERIES COMMUNITY GRANT:

Applications are now being accepted from non-profit organizations in support of sport, culture and recreation programs within the RM of Indian Head. Organizations requesting funds must fill out and return an application to the RM before March 7, 2025.

The application form can be found on [our website](#) or by emailing the RM to request a copy.

## NOTARY SERVICES

If you have something you need notarized, feel free to come to the office. I am a Notary Public and can execute documents at no charge for Ratepayers in the RM. A charge of \$21 will apply to those not owning land in the RM.

## ZONING DISTRICTS, DEVELOPMENT & HOME-BASED BUSINESSES

Did you know that the RM of Indian Head is divided into 7 zoning districts that regulate everything from what you can build, setbacks and permitted uses within the property? Depending on where you live in the RM, different rules outline what is permitted, and what is not. Do you want to build a house, put up a fence or start a business? You will have to make sure the proposed development fits within your district's zoning guidelines and apply for a development Permit. Our [Zoning Bylaw No. 172/90](#) contains all the information for each district. Both the Development Permit Application and full Zoning Bylaw can be obtained by contacting the office.

## CONTROLLED BURNS

Property owners planning a controlled burn MUST contact the Controlled Burn Centre at 1-866-404-4911 to prevent false fire reports and unwanted fire department fees. Any fire that the Fire Department is dispatched to, that has not been called into the controlled burn centre will be billed back to the property owner.

## INDIAN HEAD & DISTRICT HOSPITAL FOUNDATION

The Indian Head and District Hospital Foundation Inc. is a registered charity that works to raise funds to purchase equipment for the local hospital that is not funded by the Saskatchewan Health Authority. Additional information can be found on page 4 regarding their wish list and how to make a donation to support their efforts and benefit the hospital.
