August 5-8 & 21-22

## COUNCIL MEMBERS

Your council members are:

Reeve	James Woidyla	306-660-7719
Division 1	Darryl Henty	306-695-7480
Division 2	J.R. Craigie	306-695-7682
Division 3	Caleb Wilkinson	306-660-9011
Division 4	Jamie Nagy	306-660-7371
Division 5	Danton Soloducha	306-537-8217
Division 6	Eric Gray	306-695-0586

## GRADE 12 SCHOLARSHIP

IHHS Grad 12 students celebrated their graduation on June 13, 2025. The RM continued our support by providing a scholarship to a student in grade 12 who has a background in agriculture and will be continuing their education in a post secondary institution. Congratulations to Sierra Sauer who was this year's recipient.

## 2025 TAXES

Taxes will be levied and sent out in August. Please watch for your notices in the mail. The municipal mill rate remains the same at 8.5 mills. Factors have been adjusted to help offset the provincial assessment changes. The Ag Mill rate is .75, Residential is .89, and Commercial remains unchanged at 1.83. The School Division mill rates have decreased slightly.

## RM RATEPAYERS BBQ

The RM Ratepayers BBQ date has been set. Please join the RM Council and Staff at the Bell Barn on July 10, 2025 for a free BBQ starting at 6:00 p.m. We look forward to being able to get together with all of you.

## MOWING OF DITCHES

The municipality has begun mowing the top cut of 15 feet in ditches. The municipality shall not pay compensation for any crops mowed in the right of way. Individuals wanting to cut the road allowances for free must notify the RM office of their intentions prior to June 15 of each year. The municipality assumes no responsibility for labourer's, machinery or bales relating to salvage of hay from municipal road allowances.

# RM of Indian Head No. 156

PO Box 39, 719 Grand Ave. Indian Head, SK S0G 2K0

Phone: (306) 695-3464 Fax: (306) 695-3462

Website - <http://rmofindianhead156.com/index.html>

Edition 3-2025: July - September

Each ratepayer shall have the sole right to hay the road allowance adjacent to his property. This right shall be given to July 8th of each year. If the hay is still standing after this date any ratepayer may make use of the hay without the adjacent landowner's consent.

Hay is to be cut by July 20 and baled as soon as possible following that. Bales must not be left on the shoulder of the road and are to be removed within 48 hours after baled.

## Specialty Fields & Aerial Application

Provincial Airways Aerial Applicators may be in the area this season for crop spraying purposes. They are proactively reaching out to determine if any lands in the RM are sensitive and try to avoid the following:

- Apiaries
- Organic producers
- Transitioning to certified organic
- Other sensitive areas

If you land falls into one of these categories, please reach out to them directly at 306-692-7335 or by email at [office@provincialairways.net](mailto:office@provincialairways.net)

## INDIAN HEAD CROP MANAGEMENT FIELD DAY

Registration is now open for the 2025 **Indian Head Crop Management Field Day!** Being held on **Tuesday, July 15**, this year's field day will once again be based out of the Bell Barn at Indian Head, with field tours of IHARFs and AAFCs applied research and demonstration programs. [Register here.](#)

## RECYCLING SERVICES

The RM has recycling bins located at the RM shop North of Indian Head for residents of the RM. Please remember to ONLY put recycling in these bins. A full list of what can be recycled is attached.

## ALUMINUM TAB RECYCLING

The RM office accepts aluminum can tabs and continues to contribute them to Silver for Gold, a registered charity dedicated to raising funds and awareness to childhood cancer. The tabs are sold to JK Metals in Broadview and the proceeds go directly to assisting affected families with small costs associated with treatments and developing a suitable treatment for children with cancer in Saskatchewan. Feel free to drop any tabs off at the office for recycling.

## DED PREVENTION REMINDER

A reminder that the pruning of elm trees is prohibited from April 1<sup>st</sup> to August 31<sup>st</sup> to reduce the risk of Dutch Elm Disease (DED). The elm bark beetles that spread the deadly disease are most active during this period and fresh cut attract them. Regular pruning, outside the ban period, helps keep trees healthy and better able to resist all types of diseases, including Dutch Elm Disease. Removing dead wood also makes trees less attractive to elm bark beetles. Due to the risk of spreading DED, transporting, or storing elm firewood is illegal. Any elm wood should be disposed of promptly by taking it to the landfill. It should not be stored on your property.
